The quality system file has been assessed, approved and is subject to continuous surveillance according to the Council Directive on Construction Products Regulations (Regulation (EU) 305/2011 as brought into UK law and amended).

This certificate is issued under the following conditions:

1. It applies only to the quality system maintained in the manufacture of above referenced models and it does not substitute the design or type-examination procedures, if requested.
2. The certificate remains valid until the manufacturing conditions or the quality systems are changed.
3. The certificate validity is conditioned by positive results or surveillance audits.

The UKCA mark as shown above can be used, under the responsibility of the manufacturer, after completion of a Declaration of conformity and compliance with all relevant Directives. The statement is based on an evaluation of test report of one sample of above mentioned product. It does not imply an assessment of the whole production.
